

# Posting Ads

## How do i Publish Ad?

To post an ad, simply click on the **'Publish your ad for free'** tab

1. Select the appropriate category that matches your item for sale and follow the steps by using our simple drop down menu to pick sub-categories, if applicable
2. Input your **ad title** and **item description** - tell us all you want about the services/items you're selling. You've got a ton of space!
3. Tell potential buyers how much your item costs and if you have any special terms around the sale
4. Upload your photo. You can upload up to (12) twelve photos. Now, we understand that you may not have eight photos, but we strongly encourage you to upload at least one. Buyers like being able to see the product before they buy it.
5. Provide your location.

When placing an ad we give you a ton of ad enhancement options that will help your item stand out and gain additional exposure. (Sponsored Ads are subject for fees)
