Managing Ads and Account

How do I ensure the photo in my ad looks its best?

We make it very easy for you to upload photos to JuanTambayan.com. In fact, you are able to upload seven photos at no charge. We accept .jpg, .gif, and .png files and will accept photos up to 2MB in size. If you are looking for the "ideal" photo parameters, try using a .jpg file format and reduce the size of the photo to 2MB.
